Obscura Black Pack

The Obscura Black Pack gives the car a sporty and expressive character by adding black-coloured accessories. **The pack includes** a front grille with parking sensors and a tailgate spoiler extension.

Items in the pack are also available separately.
Alloys shown are the HR1811 alloy wheels, these are optional and sold separately.
Model shown is the Honda e:Ny1 Full Electric Advance in Aqua Topaz Metallic.

FRONT GRILLE

Distinguish the complete front look of your e:Ny1 by replacing the body-coloured charging lid and garnish with a painted shiny black front grille to give your car a more sporty and stylish character.

TAILGATE SPOILER EXTENSION

If a distinguished sporty look is what you want, this shiny black spoiler extension is exactly what you need. The spoiler is specifically developed to complement the standard tailgate spoiler.

Ilmenite Titanium Pack

Give your e:Ny1 a bold and premium look and feel by adding bold titanium-coloured touches to the car. **The pack includes** a tailgate decoration, fog light decorations, a set of door mirror covers, a steering wheel decoration, a centre console decoration and a set of door switch panels.

Interior and exterior only versions of this pack are available.

Items in the pack are also available separately.
Alloys shown are the HR1813 alloy wheels, these are optional and sold separately.
Model shown is the Honda e:Ny1 Full Electric Advance in Aqua Topaz Metallic.

CENTRE CONSOLE DECORATION
Give your e:Ny1's centre console a more striking and premium look by adding this decoration.

STEERING WHEEL DECORATION
This steering wheel decoration contributes to that premium and sporty appearance of your e:Ny1.

DOOR SWITCH PANELS
Enhance the premium look of your e:Ny1's interior with the door switch panels. This kit includes four pieces.

DOOR MIRROR COVERS
Add a little uniqueness to your car with these stylish door mirror covers. The caps fit your Honda perfectly. This kit includes two pieces.

FOG LIGHT DECORATIONS
It's all about the little details. These fog light decorations perfectly complement the fluent styling of the front of your e:Ny1.

TAILGATE DECORATION
The tailgate decoration accentuates the stylish design of the rear lights.

Comfort Pack

The Comfort Pack is a collection of accessories stylishly designed to protect your car from scratches, mud and sand. **The pack includes** a foldable boot mat, boot sill decorations, doorstep garnishes and a set of mud flaps.

1. Foldable Boot Mat

The foldable boot mat offers protection to your boot and to the complete loading floor in case the rear seats are folded down. This boot mat is reversible and is made of tufted carpet on one side while the other side has a water-repellent anti-slip pattern. In addition, this mat comes with a flexible flap to prevent scratches on your bumper when (un)loading your car.

2. Boot Sill Decorations

A practical and stylish accessory to keep your boot sill safe from all the loading and unloading of your car. The stainless steel finish also enhances the look of the rear of your car.

3. Doorstep Garnishes

The doorstep garnishes add a personal touch to your car while protecting the door sills from marks and scratches. They are crafted from brushed stainless steel and have an eye-catching, polished e:Ny1 logo. The kit includes front and rear garnishes.

4. Front and Rear Mud Flaps

Protect your car against dirt and stones with these subtle mud flaps. They're a great long-term protection feature. The kit includes four pieces.

Cargo Pack

The Cargo Pack is a selection of practical accessories that will make travelling and transporting luggage or any other equipment a lot easier. The luggage will stay organised and secured, the boot sill will be protected when unloading and you will have more visibility at night, so you can rest assured on any road-trip.

1. **Tailgate Illumination**

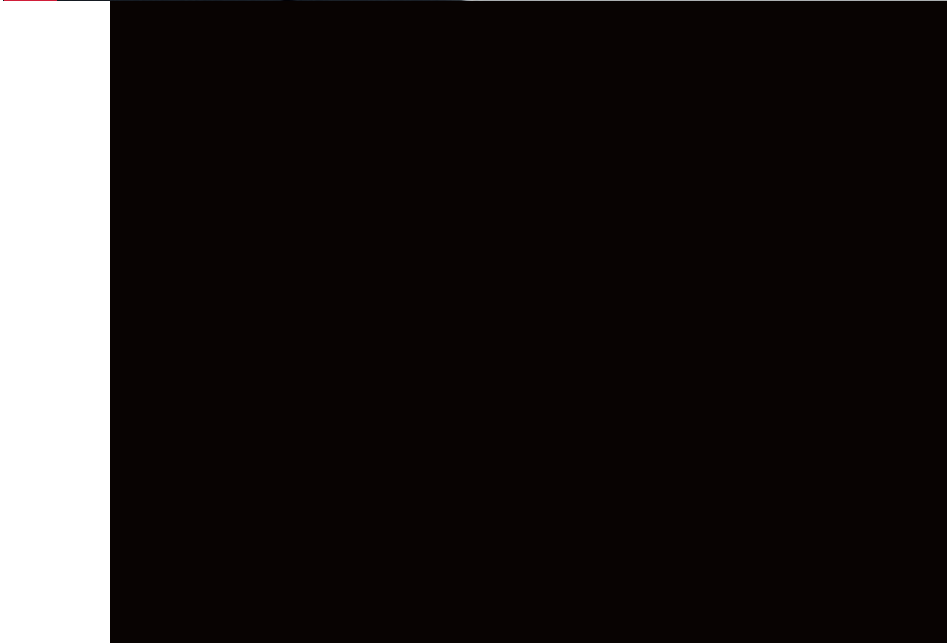

The tailgate illumination has been developed to increase your comfort and safety, by illuminating not only the boot, but also the surface behind your car. The LED light installed on the inside of the tailgate provides a powerful and consistent light in the boot, even when fully loaded.

2. **Boot Sill Decorations**

A practical and stylish accessory to keep your boot sill safe when loading and unloading your car. The stainless steel finish also enhances the look of the rear of your car.

3. **Boot Tray with Dividers**

This waterproof, anti-slip boot tray is perfectly shaped to fit your car's rear storage space and will protect the boot from dirt and scratches. It has raised edges and features the e:Ny1 logo. It comes with dividers to help secure your items while driving.

Items in the pack are also available separately.
Model shown is the Honda e:Ny1 Full Electric Advance in Aqua Topaz Metallic.

Illumination Pack

The Illumination Pack is a vibrant combination of an animated, illuminated doorstep garnishes and the front foot lights. It gives an ambient atmosphere when you are getting in and out of your car and helps with low visibility at night.

- 1. Illuminated Doorstep Garnishes**
The illuminated doorstep garnishes are crafted with a chrome finish and have a blue illuminated e:Ny1 logo. They protect the door sills from marks and scratches. The kit includes illuminated front and non-illuminated rear garnishes.
- 2. Front Ambient Foot Lights**
The front footwell becomes illuminated by unlocking or opening the doors. The foot light gives a soft white glow to the interior of your car.

Items in the pack are also available separately.
